

Christ Church Cathedral Presents

THE SPIRITUALITY OF ECO JUSTICE

"I have become convinced that the developing concept of eco-justice can be a way forward, beyond the false dichotomy of social justice vs. ecological justice, as long as it is understood as a term that can include both human suffering and the groaning of the Earth." Dr. Christopher Lind

You are invited to join Dr. Christopher Lind to explore the spirituality of eco-justice and how Christians can express and act on our faith valuing the earth as God's sacred creation. Dr. Lind will make a presentation on this subject followed by time for group discussion and interaction. Dr. Christopher Lind is a Senior Fellow of Massey College at the University of Toronto.
